Janitorial Services Request for Quotations (RFQ)

ABOUT

At First 5 Fresno County (F5FC), we know that children thrive when their families thrive. We envision a future where young children and their families are healthy, loved and nurtured. We pursue this vision by partnering with, advocating for, and investing in our community to create a seamless system of quality, accessible services that support the well-being of every child and family.

In 1998 California voters passed Proposition 10, increasing the state's tax on tobacco products and creating an initiative called "The Children and Families Act." The legislation established First 5 (the California Children and Families Commission), and it was charged with implementing an integrated system of services to support the optimal development of children from the prenatal stage to age five, so they are ready to succeed in school and life. The Commission is responsible for developing a strategic plan to guide local funding decisions that are consistent with the purpose of Proposition 10, which is to promote, support and improve the early development of children from the prenatal stage to five years of age.

In 2015, F5FC created the Lighthouse for Children facility, a space in the heart of downtown Fresno, where Fresno County families can access services and receive resources and information on how to support the transformative first 5 years of their child's life. F5FC owns and manages a three-story building which houses an all-day child care facility called the Child Development Center, a Community Learning Center, tenant office space, meeting spaces, and First 5 Fresno County's administrative offices.

Based on performance of the contractor in the initial contract period, at F5FC's sole discretion, F5FC shall have the option of up to four one (1)-year renewals. These renewals will be determined by F5FC in its sole discretion based on performance and availability of funds.

Communication

As for the issue date of this RFQ and continuing through the public notification of the award, agencies submitting qualifications are specifically directed not to hold any meetings, conferences, or technical discussions regarding this RFQ with F5FC staff, Commissioners or the Community Review Committee. "Off the record" contacts can potentially taint F5FC's decision-making process. Interested agencies may only submit inquiries through the funding@first5fresno.org email address in response to any matter pertaining to the RFQ. Any prohibited contact may result in disqualification of the potential contractor's submission.

Contracts

Issuance of this RFQ does not constitute a commitment by F5FC to award a contract. F5FC reserves the right to reject any or all submissions received in response to this RFQ, or to cancel this RFQ if F5FC deems that it is in the best interest of F5FC to do so. In addition, F5FC staff reserves the right, after contract award, to amend the resulting contract as needed throughout the term of the contract to best meet the needs of all parties.

If applicable, F5FC staff reserves the right to approve all subcontractors proposed by the primary contractor. Approval is based on the subcontractor contract language and budget with the primary contractor.

Any contract awarded by F5FC will contain various terms and conditions that will not be negotiable, including, but not limited to, proposer's obligation to indemnify, defend, and hold F5FC harmless from and against proposer's negligence and willful actions, insurance requirements as determined by F5FC, and compliance with various F5FC policies.

The contact person for each quotation, whether selected for award or denied, will be notified in writing of the decision. Upon notification of an award, representatives of the firm will meet with staff to finalize a detailed scope of work and budget.

Conflicts of Interest

Proposers must adhere to F5FC's Conflicts of Interest Policy and Conflicts of Interest Code, as amended, as applicable. No Commissioner or designated staff may make, participate in making, or use their official position to influence the making of any governmental decision which may have a direct or indirect foreseeable material financial effect on the Commissioner or designated staff person. Therefore, no entity in which a Commissioner or designated staff person has a material financial interest may submit a proposal to F5FC.

Additionally, under no circumstances may a financial dependent of a F5FC Commissioner or staff respond to this RFQ. Relatives (which shall include, but not be limited to, adult children, siblings, aunts and uncles) of F5FC Commissioners or staff who are not dependents are discouraged from submitting.
